<b>THIS IS ME?</b> <i>You may have a hidden need / disability. If someone met you they would not know. Can you think of things you could say to help people understand about your needs?</i>	Discussion on the word Advocate and what it means. <b>Specific focus for Falconer – school building and equipment.</b>	Reviewed photos taken by young people and considered what was good and difficult about areas. Particular points of note for the young people were: <ol style="list-style-type: none"> <li>1. Not a large enough ICT suite and not enough computers for the five children in the ICT suite</li> <li>2. Broken doors</li> <li>3. The trampoline is a good new thing but the bounce is not good enough to get the feedback needed for sensory breaks</li> <li>4. The new way into the school is causing some discussion so there is a trial period for one week</li> <li>5. Want a bigger forest school and to develop it further using the fruits etc</li> <li>6. Need benches outside to sit on</li> <li>7. Concern from lots of young people this wont happen before they leave the school</li> </ol>	Prepare slide show for Voices of Hertfordshire you tube and possibly content for 3 <sup>rd</sup> December. To discuss further in November meeting
